Tasting Notes:

Southwest facing, rocky soils, together with warm sunny days and cool nights have helped craft this lovely, full-bodied wine. Deep ruby color with heady aromas and flavors of black cherries, figs and cranberries with hints of cacao and oak, this Barbera has a silky texture and a long, lingering finish.

One of our more well-liked selections, it was aged in French Oak. Our Barbera pairs well with hearty casseroles and stews, roasted meats and crusty herbed breads.
