Tasting Notes:

Warm, summer days, cool nights and steep, rocky, mountain soils together with the very best hand-picked Syrah grapes at our family estate vineyards have created this delicious full-bodied, deep purple-red Reserve Syrah. This wine offers wonderful, rich aromas of blackberries, currant and black cherries with hints of cassis and loamy earth.

Luscious flavors of earthy blackberry and red berries with hints of oak fill the palate followed by a long, lingering finish.
