### Tasting Notes:

Shallow rocky mountain soils together with long sunny days and cool nights at our estate vineyards have created this full-bodied elegant blend of Bordeaux-style grape varieties.

Rich and complex, this lovely blend offers heady aromas and flavors of cherries and black currants followed by hints of violets and cassis and a long velvety finish.

This wine will pair well with grilled meats, steak au poivre, mushrooms, venison and game poultry.

### Naggiar Vineyards:

Located twelve miles south of Grass Valley, California and nestled in the Sierra Foothills, Naggiar Vineyards encompasses some 135 acres of hilly and rocky terrain. At 1,300 feet elevation, the property sits on several large knolls with gentle, hillside slopes and experiences the warm days and cool nights essential for growing top quality wine grapes.

With sixty acres of estate vineyards planted to seventeen Mediterranean varieties, our focus is on growing varieties that time has proven best suited to this site.
